International Scientific Conference

EUROPEAN INTEGRATION THROUGH THE STRENGTHENING OF EDUCATION, RESEARCH, INNOVATIONS IN EASTERN PARTNERSHIP COUNTRIES

16-17 May 2022, Chisinau, Moldova

Moldova State University,

MEDIACOR Centre (Alexei Mateevici, 60 str., Chisinau)

Programme

Hybrid event

Background

The main focus of this conference is fostering cooperation between academic world, policy makers, civil society and youth regarding the EU policies with the main focus on Smart Specialization that touch on the education-research-innovation.

Objectives of the conference:

- To foster and strengthen understanding and awareness of the wider public regarding the quality of education and Eastern partnership-EU common scientific-educational-technological activities;
- To promote the involvement of the wider public in a public policy dialogue regarding European Integration of Moldova;
- To inform and raise awareness of representatives of the academic world, youths, researchers, young professionals, civil society on regional and local levels on the importance of the EU shared values (innovation-research-education) for the development of the country and to promote their engagement in the policy dialogue in their local communities;
- To improve the involvement, raise awareness and inform the wider public on the progress achieved towards economic association of Moldova with the EU due to access to EU funding programmes for education-research-innovation.

Location:

Chisinau, Moldova
Moldova State University, MEDIACOR Centre
