**EU: Building links to Eastern
Partnership Countries**

15-16 March 2023, Chisinau, Moldova

Moldova State University, Mediacor Centre

60 Alexei Mateevici, str., Chisinau, Republic of Moldova

Programme

Hybrid event*

*ZOOM link will be sent only to participants who do not live within the territory of Chisinau

Background

The main focus of this conference is fostering cooperation between academic world, policy makers, civil society and youth regarding the EU policies with the main focus on political, economic and cultural issues.

Objectives of the conference:

- To foster and strengthen understanding and awareness of TG regarding the quality of education and EaP-EU common scientific & technological activities;
- To promote the involvement of the TGs in a public policy dialogue regarding European Integration of Moldova compared to other countries covered by EaP;
- To inform and raise awareness of representatives of the academic world, youths, researchers, young professionals, civil society on regional and local levels on the importance of the EU shared values for the development of the country and to promote their engagement in the policy dialogue in their local communities.
- To improve the involvement, raise awareness and inform the wider public on the progress achieved towards economic association of Moldova with the EU due to access to EU funding programmes.

Location:

**Chisinau, Moldova
Moldova State University
Mediacor Center**

Organizer:

Moldova State University

Participants:

The two-day conference expects to assemble innovation experts, practitioners, policy-makers from EU and Eastern partnership countries, representatives of the academic world, youths, researchers, young professionals, civil society on regional and local levels.

About EUforY Project

Full title: Horizons of Moldova's European Union Integration: Realities and Perspectives

Acronym: EUforY

Reference Number: 619953-EPP-1-2020-1-MD-EPPJMO-PROJECT

Project Start: 20 October 2019

Duration: 24 Months

Beneficiary: Moldova State University (MSU)

The EUFOR Y projects aims to contribute to formation of a more coherent and visible EU policies towards Moldova by improving understanding of political collaboration, human rights protection, youth education, and deepening economic and trade partnership both within academia and beyond it.

Project objectives:

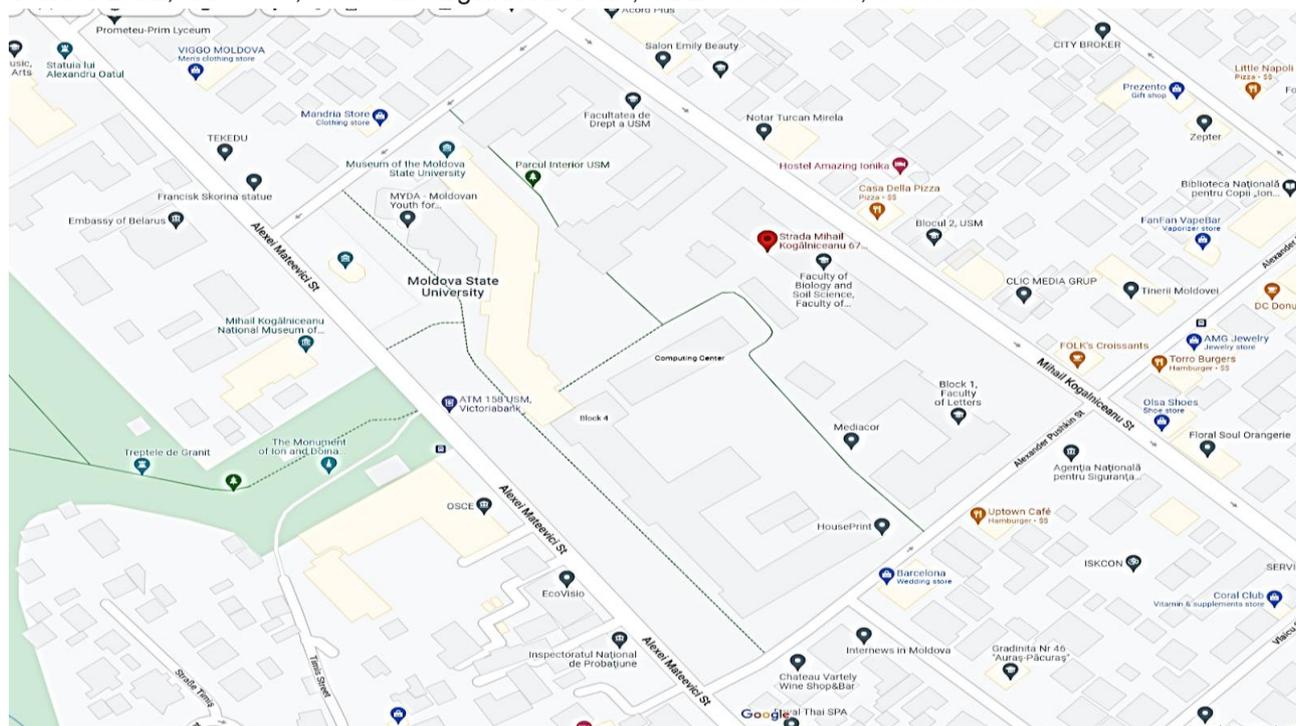

- 1) To foster cooperation and to involve wider public, especially academia and youth from North, South and Centre regions of Moldova in a social policy debates regarding human rights, rule of law, good governance and democratisation in order to promote security and stability in Moldova;
- 2) To increase knowledge of the target groups on the progress achieved by Moldova within the EU – MD AA and new EU trends in the field of education and research;
- 3) To boost the level of familiarisation of wider public in Moldova, in general, academia and youth, in particular, on the EU trade policies issues towards Moldova;
- 4) To improve understanding regarding the EU of the actual development problems and tendencies beyond the stakeholders directly and indirectly involved;
- 5) To support the professional development of young researchers and professors ready to integrate good practices and new EU subjects into didactic programmes and initiatives that activate in MSU and beyond it through ERASMUS+ Jean Monnet;
- 6) To improve the involvement, raise awareness and inform the wider public on the possibilities offered by EU financial instruments (ex: ERASMUS+, HORIZON2020/Horizon Europe, etc).

During the EUFOR Y project, there are planned various activities that will boost EU knowledge in specific thematic areas and equip students and young professionals with knowledge of European Union subjects relevant for their academic and professional lives and enhance their civic skills.

- 3 Inter-institutional training courses “EU Project Management” in Chisinau, and regions (Balti and Comrat);
- 2 Workshops “Raise awareness on Moldova Europeanization in academia and beyond it”;
- 1 International Conference “European Union and Eastern Partnership Countries: Getting closer for better future”;
- Research activities: “New integration opportunities offered by EU shared values for youth”.
